Discount Day Helps Pass On Savings To Motorists As Global Oil Drops

Gull New Zealand is offering a 10 cent per litre discount to pass on savings to New Zealand motorists after the fall in oil prices following a drop in global demand.

The Discount Day will apply to all Gull's fuel types across the company's entire network from 7:00am on Thursday 20 February 2020 until 12:00pm midday on Friday 21 February, 2020.

Gull's Pricing Analyst Crystal Feist says Gull has always been a champion for giving back to motorists and so the drop in the global oil price is another opportunity to pass savings onto our customers so they can go further.

"Gull's Discount Days are for everyone – no minimum spend and no maximum fill restrictions. Our price boards and pump prices are simply dropped from 7:00am today for as much or as little fuel as you like so you can get out and enjoy time with your family."
