

GULL WELCOMES AUCKLAND STUDENTS BACK TO SCHOOL WITH DISCOUNT

Auckland students returned to school for the first time in three months this week, after a prolonged ninety days of home schooling. Gull would like to help relieve some of the pressure put on parents as they drive kids to or from school by offering a 10 cent per litre Discount Day.

The Discount Day will apply to all Gull's fuel types across the company's entire network from 7:00am on Thursday 18 November 2021 until 12:00pm midday on Friday 19 November 2021.

Gull's Pricing Analyst, Crystal Feist, says Gull understands returning to normality also means an increase in weekly costs for many families.

"Gull's Discount Days are our way of giving back to NZ motorists and the loyal customers who have continued to support us. As always there is no minimum spend and no maximum fill restrictions. Our price boards and pump prices are simply dropped from 7:00am today for as much or as little fuel as you like."

At the majority of Gull outlets where Gull controls retail prices across the country, **average prices** will be as follows during the above-mentioned time frame:

Regular (91)	\$2.357
Force 10 (98)	\$2.567
Diesel	\$1.567

Lowest priced sites as below:

Atiamuri & Maheno	Offering the lowest regular (91) price	\$2.217 per litre
Te Kuiti & Maheno	Offering the lowest diesel price	\$1.497 per litre

All pricing across the Gull network is GST inclusive.

*****Please note average prices quoted above are across sites where Gull controls the retail fuel price. Discounts are applied directly to the price board and pump price from the day before.***
