

It's a Gull Discount Day!

With daylight savings on the horizon and impending school holidays, Gull is helping New Zealand motorists get out and about by offering a 10 cent per litre discount. Discount Day will apply to all of Gull's fuel types across the company's entire network from 7:00am on Thursday 26 September 2019 until 12:00pm midday on Friday 27 September 2019.

Gull's Pricing Analyst Crystal Feist says Gull remains committed to providing value and the best competitively priced fuel to Kiwi motorists.

"Gull's Discount Days are for everyone – no minimum spend and no maximum fill restrictions. Our priceboards and pump prices are simply dropped from 7:00am today for as much or as little fuel as you require for your purchase."
